REPORT ON**

Awareness Campaign on HIV/AIDS

**By
Dr. Gautambhai Modi**

**On
12th September 2018)**

**PLACE
MINING SEMINAR HALL**

"Government Engineering College, Palanpur" (GECPL), operates under the aegis of Government of Gujarat (established in the year 2009). It is affiliated to Gujarat Technological University, Ahmedabad and is also approved by All India Council of Technical Education (AICTE), New Delhi. GECPL provides a dynamic and supportive environment in which faculty and staffs continuously grow intellectually and professionally.

Our Vision is to excel in Technical Education and Research by amalgamation of students, Faculties and Industries for serving the Nation. Our mission is to make the students to be better technocrats and professionals with quality, meeting their needs in the area of technical studies and providing better learning opportunities to develop skill for creating a better tomorrow.

In above Context, National Service Scheme (NSS) co-ordinator and volunteers had organized the seminar on "AWARENESS CAMPAIGN ON HIV/AIDS".

To talk on the above context, we organized the celebration of Awareness campaign on HIV/AIDS.

On 12 September 2018 we celebrated Awareness campaign on HIV/AIDS at mining seminar hall with the students of Mechanical, Civil, Electrical and mining engineering first-year. First introduce them with the Dr. Gautambhai Modi (Consultant physical) was expert, Chaudhary sir was a counsellor and Mr. Nareshbhai soni who is suffered from AIDS from last twenty years. He share their own experience and How we have to behave with this types of patient and what they are feel in the society.

Act Against AIDS is a CDC initiative to combat complacency about HIV and AIDS in the United States. It focuses on raising awareness among all Americans and reducing the risk of infection among the hardest-hit populations – gay and bisexual men, African Americans, Latinos, and other communities at increased risk.
