**GEC PALANPUR**

In INDIA 14 April is designed as National Fire Service Day since 1944. The motto of fire services is to “WE SERVE TO SAVE “. These three priority wise objectives are (1) to saving life (2) save national and public priority (3) salvage & prevention.

As importance of this day in GEC, PALANPUR NSS unit carried out activity of fire safety programme on 1<sup>st</sup> Sept 2017 under main coordination of Dr. C.G.Prajapati and our principal Dr. K.B.Judal.

In this programme, all the NSS volunteers, college students, staff members and security guards gathered in front of Mining building. The main guidance is served by V.K. FIRE SAFETY SERVICES. V.K. fire safety practically gives the demo for explanation of fire safety. In which type of fire which extinguishers are used at different sites as per the fire. By demo of such equipments they explain the features of fire extinguisher which is suitable to fight all three classes of fire disaster A, B

& C. After demo some staff members, students & security guard practically handled the fire by fire extinguishers.

At the last principal and NSS programme officer thanks to V.K. FIRE SAFETY for this fire safety programme.
