REPORT ON

Self-Realization and De Addiction Programme

By
R.H.Chaudhary (Retired Dysp)
and Hemrajbhai Juua

On
23rd August 2017

MECH. ICT HALL

Government Engineering College, Palanpur organized one-day seminar jointly by NSS on Self-Realization and De Addication on 23rd August 2017. R.H.Chaudhary (Retired Dysp) and Hemrajbhai Juua were invited for the programme. The principal of college Dr. K.B.Judal, Dr. C.G.Prajapti Programme Officer NSS Unit and other college staff also participated in the programme.

Various Key Point Discussed on program “Addiction of Harmful Drug and Solution to Salvation from it” by Chief Guest. He also teaches many things on self realization and addiction to students and gives much valuable information. From these habits our society and many families survive in trouble short of economical poverty, or many problems have to face in life because of one habit. Then he gives advice that how one can come out from addiction life. The addiction is one of our societies problem and people have to come out from its otherwise big trouble happens. Then he tells all students for do not addicted form anything and help other to come out from habits.

In the End, All Participants had taken Pledge for Salvation from Addiction to Harmful Drugs. Principal thanksgiving lead programme toward the end.
