

**Vision**  
To be a leading technical institute facilitating transformation of human resources into socially responsible engineering professionals for sustainable development

**Mission**

1. To achieve academic excellence by developing state-of-the-art laboratories and academic infrastructure.
2. To create an ecosystem that promote value based technical education, innovation and entrepreneurship for sustainable development.
3. To contribute to industry and society by providing technical and consultancy services.
4. To enhance technical competencies of human resources by providing need base trainings and quality improvement programs.

## Discover Your Engineering journey at Government Engineering College Palanpur

At Government Engineering College Palanpur, we believe in nurturing the next generation of engineers who will shape the world. With a legacy of excellence in engineering education, state-of-the-art facilities, and a dedicated faculty, we provide an immersive learning experience that prepares students to tackle real-world challenges.

### About Institute

The institute is situated on Palanpur-Mehsana 6-lane Highway 5.0 KM away from Palanpur city near Jagana Village in Gujarat State. It was established in the year 2009 by Education Department, Government of Gujarat and approved by AICTE since inception. The campus is spread in 15 Acres of land with modern academic facilities/ infrastructure, state-of-the art laboratories, residences and green garden refreshing ambience of mind and soul. The institute focuses on development of responsible engineering graduates for sustainable development by inculcating professional competencies and human values. Dedicated professors, staff and healthy learning environment support all round development of students

## Why to Choose Government Engineering College Palanpur

### Cutting-Edge Programs

Our comprehensive range of UG engineering programs cover various disciplines including Computer, Mechanical, Civil and Electrical Engineering.

Course Name	Intake AICTE
Civil Engineering	60
Computer Engineering	60
Electrical Engineering	30
Mechanical Engineering (NBA Accredited 2022-2025)	60

### Industry-Ready Graduates

We focus on providing students with hands-on experiences and industry exposure like finishing school program which is designed to provide you with valuable insights and hands-on experience in the corporate world, equipping you with the skills and confidence necessary to thrive in professional environments.

### Eminent Faculties

Our faculty members are distinguished experts in their respective fields, bringing extensive industry experience and academic expertise to the classroom. They provide personalized mentorship and guidance to students, fostering a supportive learning environment.

### State-of-the-Art Facilities

Our campus boasts cutting-edge laboratories like Design lab, Incubation center, and workshops equipped with the latest technologies and equipments

### Research and Innovation

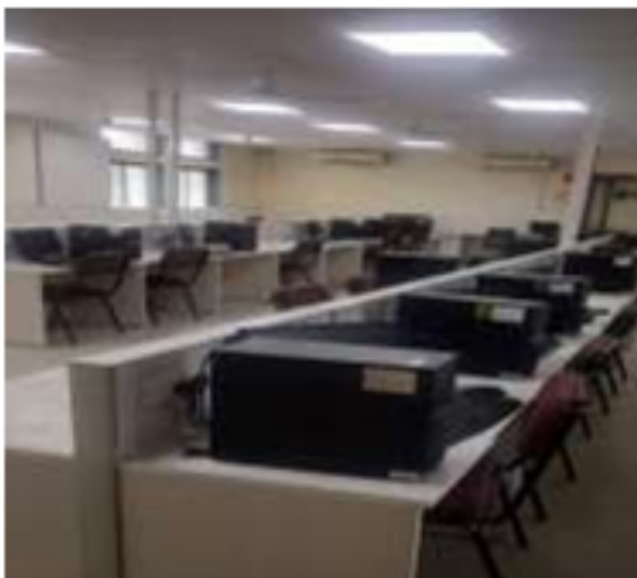

We encourage a culture of research and innovation, empowering students to explore new ideas and contribute to technological advancements through SSIP, Library, e-journals. Our research projects and collaborations provide opportunities for students to make a meaningful impact.

- Infrastructural Facility
- Well-equipped Engineering Laboratories with modern Equipments/setup
- Central workshop facility with latest tools and machineries
- 4 Department Computer laboratories with 300 latest Computers
- Well maintained central library with 13500+ books, Journals and Magazines and reading room
- 100 kW Solar Power Plant in Institute & 25 kW Solar Power unit in Hostel
- 100 MBPS internet connectivity in all PCs connected through cwan, Fully WIFI campus with NAMO WIFI 7 HOTSPOTS and CWAN Access Points, 10 mbps GSWAN
- Well maintained Boys and Girls hostel with all students amenities
- Students' canteen, Gymkhana, Student Store
- Design Lab, Incubation center

### Life @ GECPL

For overall development of the students, the following events/competitions are being organized in the institute:

Orientation program: Induction program containing all the activities as per syllabus of GTU.

Mega Cultural Event- PRAXES: Under the Umbrella of Praxes various Technical and Non-Technical events are Organized like Cultural Night, Various artistic competition, Robo Race, Constructo, Poster Presentation, various Technical Events are Organized at GECPL.

NSS activities like tree plantation program, blood donation camp, social services

Sports Week: It is designed to celebrate the spirit of athleticism and to provide platform for sports enthusiasts to showcase their skills, compete and have a blast. Team events (cricket, kho-kho, kabaddi etc) individual challenges, Fun sports activity etc are organised under sports week.

Celebration of independence day, republic day, International Yoga Day, Uttrayan etc.

The institute also encourages the students to participate in various inter institute technical and non-technical events

### Students Supporting Activities

Counselling Services

Career Guidance and Placement Assistance

Students Club and Organization

Student Feedback Mechanism

Students scholarship

Counselling related to Admission
