Online Alumni Meet 2025 Report **(Batches 2023-24 and 2024-25)**

Organized by: Department of Mechanical Engineering, Government Engineering College, Palanpur and GEC Palanpur Alumni Association.

Platform: Zoom Meeting

Date: 17th July 2025

Time: 07:45 PM onwards

The Department of Mechanical Engineering, Government Engineering College, Palanpur, successfully organized the Online Alumni Meet 2025 on 17th July 2025 via Zoom platform. A total of 25 alumni from the academic batches 2023-24 and 2024-25 enthusiastically participated in the virtual gathering.

The event began with a warm welcome and introductory speech by Prof. Kapil Banker, who expressed heartfelt gratitude to all the alumni for their presence and continuous support to the department.

The key agenda items discussed during the meet were:

1. **Dissemination of the Vision and Mission** of both the Institute and the Department to ensure alignment with alumni and reinforce institutional values.
2. Interaction regarding the **current professional status of alumni**, allowing all attendees to share their career journeys and experiences post-graduation.
3. Sharing of **recent developmental activities** undertaken at both the institute and departmental levels, showcasing progress and innovation within the academic environment.
4. Discussion on **Sponsored Laboratory Development by alumni** or their associated industries, highlighting contributions and exploring possibilities for future collaboration.
5. **Invitation for alumni to participate in Expert Talks**, Mentorship Programs, and Industrial Visits to strengthen the bond between alumni and current students.

Furthermore, a comprehensive discussion was held regarding the current professional status of alumni, which facilitated knowledge-sharing and networking among attendees.

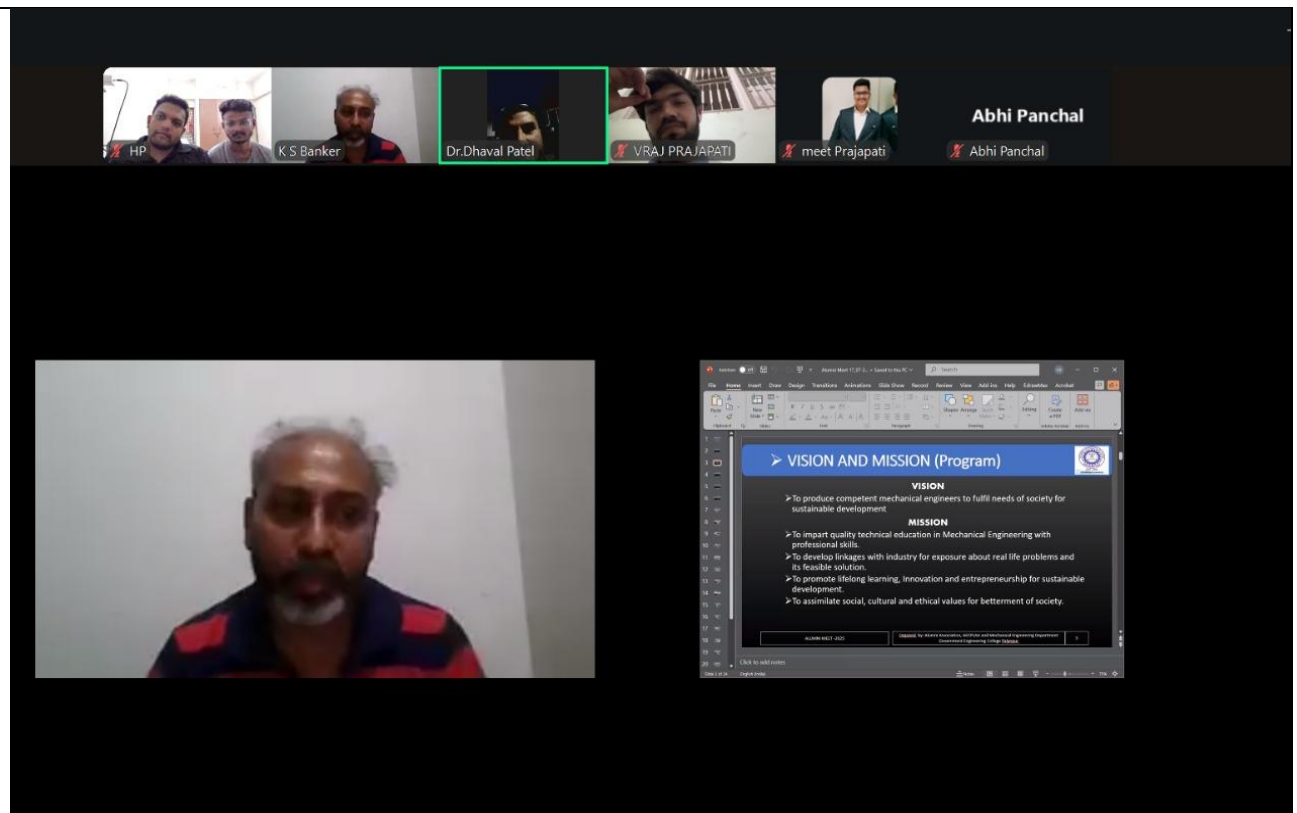

Alumni also interacted with faculty members and shared their **college life experiences**, as well as **real-world insights from industries and higher studies**, which proved to be highly inspiring and informative for everyone present.

Dr. D. M. Patel, Head of the Department, shared his valuable insights and conveyed blessings to all alumni. He also extended a warm invitation to all attendees for an Offline Alumni Meet, which is planned to be conducted in the coming two months.

Lastly, students shared their feedback on the event, expressing appreciation for the opportunity to connect with alumni and gain valuable exposure to professional journeys and guidance. Their responses reflected enthusiasm and gratitude for the insightful interactions and motivational messages.

Prof. Kapil Banker also shared memorable glimpses of college tenure, bringing back nostalgic memories and strengthening the emotional bond between alumni and their alma mater.

The screenshot displays a Zoom meeting interface. The main window shows a presentation slide titled "Government Engineering College Palanpur" with the subtitle "ALUMNI MEET – RECONNECT Batch- 2023-24 & 2024-25". The slide is organized by the "Mechanical Engineering Department, Government Engineering College Palanpur". The slide also mentions "Organized by: Alumni Association, GECPLAA and Mechanical Engineering Department, Government Engineering College Palanpur." and "ALUMNI MEET -2025". The slide is being shared from a Windows PC, as evidenced by the Windows taskbar at the bottom showing the date "17-07-2025" and the time "19:55". On the right side of the screen, there is a vertical stack of video thumbnails for participants: HP, K S Banker, Dr. Dhaval Patel, BHARAT, VRAJ PRAJAPATI, and meet Prajapati. The Windows taskbar at the bottom shows the date "17-07-2025" and the time "19:55".

➤ **VISION AND MISSION (Institute)**

VISION

- To be a leading technical institute facilitating transformation of human resources into socially responsible engineering professionals for sustainable development

MISSION

- To achieve academic excellence by developing state-of-the-art laboratories and academic infrastructure.
- To create an ecosystem that promote value based technical education, innovation and entrepreneurship for sustainable development.
- To contribute to industry and society by providing technical and consultancy services.
- To enhance technical competencies of human resources by providing need base trainings and quality improvement programs.

➤ **VISION AND MISSION (Program)**

VISION

- To produce competent mechanical engineers to fulfil needs of society for sustainable development

MISSION

- To impart quality technical education in Mechanical Engineering with professional skills.
- To develop linkages with industry for exposure about real life problems and its feasible solution.
- To promote lifelong learning, Innovation and entrepreneurship for sustainable development.
- To assimilate social, cultural and ethical values for betterment of society.

➤ Recent developmental activities :

☐ **NBA Accreditation Renewal Process:** The UG Mechanical Engineering program has received NBA accreditation up to June 30, 2025—reflecting the institute's commitment to outcome-based education and academic excellence.

☐ **Digital Skilling & Internships:** In alignment with GTU digital skilling initiatives, the college now mandates internships and apprenticeships for final-year UG students.

☐ **Innovation Ecosystem via SSIP & Research:**

☐ **Laboratory Development**
